"COFFEE BEANS" FOUND TO MAKE EXCELLENT FERTILIZER

Moultrie, Ga., April 4.—Thousands of bushels of coffee beans found by South Georgia farmers last year and for which they expected to receive \$2 a bushel, are being ground up and used as fertilizer. Coffee bean agents who early in 1920 went through this section of the state selling beans and agreeing to buy back all that could be produced, could not be located last fall, when the new-fangled bean was ready for delivery. It then dawned upon the growers that the contracts given them by the agents were worthless.

Some of the farmers then hit upon the idea that the coffee beans might make good fertilizer and others followed suit with the result that all of South Georgia's coffee crop will be put in the soil again with the hope that it will be worth something as a plant food.

## COST 33 CENTS IN 1920 TO GROW POUND COTTON

Washington, April 3.—Cotton growers can meet the present price situation by "carefully considering" operating expenses and reducing them whenever there is a likelihood of obtaining a low yield per acre, the Department of Agriculture says in a report today on the results of a survey on the basis requirement and cost of producing cotton.

By applying last year's man and mule rates for labor and prices then paid for seed and fertilizer to the basis requirements in an investigation in Mitchell county, Ga., the average operating expense of cotton was fixed at approximately 33 cents a pound.

Man and mule rates for labor in this investigation and seed and fertilizer costs, the department says, constituted 84 per cent of the total operating expenses, exclusive of land rent. Other expenses amounting to 16 per cent of the total included such items as ginning, manure, equipment, taxes, insurance and overhead. Man labor was charged at the rate of 30 cents an hour, mule labor 20 cents an hour; seed, \$81 per ton, and fertilizer at \$40 a ton. From the total cost of \$56.16 an acre, a seed credit of \$3.90 was deducted, making a total net cost of \$52.26.

Asserting that the rates for labor and seed did not start to decline until after the 1920 crop had been produced, the report adds:

"With cotton around 12 to 15 cents per pound, the returns not only allowed no interest on capital, but failed to pay operating expenses at going rates for labor and prevailing prices for agriculture. With cotton at 15 cents per pound, it would require a yield of approximately 450 pounds of lint to cover operating expenses."

"The application of the basic requirements of production in estimating costs should be of vital interest to growers at this time," the report adds. "The history of the year 1920 will not be forgotten immediately and it will be safe to say that the lessons of this period will bear some fruit."

## SMOOT ADVOCATES GENERAL SALES TAX

WOULD PLACE FLAT TAX OF ONE PER CENT ON ALL COMMODITIES.

Washington, April 10.—A general sales tax was advocated tonight in a statement by Senator Smoot of Utah, a Republican member of the Senate finance committee, who formally announced he would introduce a bill to that end in the Senate Tuesday.

Senator Smoot's measure, which he estimated would yield approximately \$1,500,000,000 in revenue annually, would place a flat tax of 1 per cent on gross sales above \$5,000 annually of virtually all commodities, both raw materials and finished products. The bill carries a few exemptions, but application of the tax would be stayed practically only on such commodities as now bear a higher levy.

Early consideration of the Smoot proposal is planned by the Senate finance committee in the study of the taxation question. Tentative arrangements contemplate the opening of hearings on this phase before the end of the week.

In discussing his proposed sales tax, Mr. Smoot said it would be simple in application and easy to compute. He declared it would properly distribute the burden of taxation, compelling each citizen to bear a share proportionate to his ability to pay as measured by buying or producing power.

"If the sales tax becomes a part of the revenue laws of our country," the statement continued, "Congress can repeal not only the items provided for in the bill as presented by me, but can repeal all the irritating, nagging, discriminatory taxes amounting to hundreds of millions of dollars and the excess profit tax, the result of which has worked such havoc with business concerns of our country and which have in many cases been compelled to pay the excess profits tax on paper profits."

Present tax on soft drinks, tobacco, automobiles and some other so-called luxuries would remain under the Smoot bill. These commodities already bear taxes regarded as heavier than the flat 1 per cent tax. In addition to the tax on sales a levy having the same application would be placed on total amounts of all realties. He contended that the sales tax method was one of justice to all whether individual, firm or corporation. The actual added cost to the consumer of 1 per cent tax applied at each turnover of the goods would, he predicted, fall below three per cent.

The bill contemplates repeal of the whole tax, accumulated through the various resales, by the ultimate consumer, Senator Smoot said, adding that there was no objection to the final seller absorbing the tax if he cared to do so.

## MANY COUNTIES SHARE IN FEDERAL ROAD FUND

Atlanta, April 11.—More than a half million dollars—\$558,477.35 to be exact—has been received by the state of Georgia from the federal aid road fund during the months of February and March. This sum goes to reimburse the state and various counties that have been constructing modern roads as a part of the state highway system. Not all the counties engaged in road construction have participated in this federal aid, for in some instances highway projects have been built by county funds alone, or by state funds alone.

Refund from the federal government applies only on projects constructed with federal aid. Announcement of this effect was made today by the state highway department, which at the same time gave out a statement in explanation of the method of handling federal aid refunds.

"Of the \$558,477.35 received from the federal government," says the department statement, "the counties have been paid \$520,937.70, while the state has retained \$29,539.65 to cover the cost of engineering as provided by the state highway laws."

"The counties participating in the federal aid refund for the months of February and March are: Baker, Brooks, Terrell, Chatham, Cherokee, Chattooga, Cook, Cobb, Dade, De-

## COUNTY SCHOOL MEET AT HANDS OF BROTHER

MANY SCHOOLS OF THE COUNTY ARE REPRESENTED IN MOST INTERESTING CONTESTS.

The county school meet, which was held in Statesboro last Friday, was an occasion of interest and education in which the schools of the county participated in large measure.

The literary exercises were held in the forenoon in the court house, and consisted of recitations, declamation and music, followed by an address by State Supervisor A. E. Pound. While the number of participants in these contests was smaller than had been wished for by the school authorities, the occasion, which is the first of the kind ever held, is looked upon with satisfaction.

The athletic exercises were held on the fair ground race track in the afternoon, and there was a much larger attendance than at the forenoon exercises.

It is explained that these athletic exercises were not in the nature of competitive contests, but rather awards were made to all the entrants who made the required percentage in each contest. The winners were awarded silver and bronze pins, as follows:

WINNERS OF SILVER PINS

Brooklet—Mary Alderman, Lella Wilson, Edna Preterorius, Wilma Williams, Carrie Robertson, Billy Robertson, Edgar Waters, Robert Belcher and Perry Williams.

Middleground—Clyde Cannon and Floyd Atkins.

Portal—Nathan Miller and Prat Edensfield.

Register—Hoke Brunson and Bernard Dekle.

Smith-Allen—Eugene Deal.

Statesboro—Mattie Lee Plynt, Lena Ringgold, Louise Dougherty, Thelma DeLoach, Kathleen Monte, Myrtis Alderman, Sara Hall, Nollie Ruth Brannen, Gladys Clark, Carrie Lee Davis, Lanier Porter, Beamon Martin, Julian Anderson, Dan Blitch, Pierce Martin, Lester Neville, and Lovell Anderson.

Register—Grover Alderman, John McCormick, and Willie Richardson.

Middleground—Ollie Mae Smith, Ivy Wilkin, Bernard Smith, John W. Barr, Ivy Cannon.

Pretoria—Gordon Rushing, Colin Rushing.

Portal—Rodney Miller.

Register—Verna Johnson, Dolphus Lee and Britt Franklin.

Smith-Allen—Dea Robert Deal.

Statesboro—Dorothy Anderson, Frances Mays, Martha Donaldson, Edna Mae Bowen, Margaret Cone, Alverta Kenan, Madge Barnes, Johnnie Barnes, Mary Lee Wilson, Millie Jones, Pierce Stewart, Burdette Lane, Julian Clark, William Wallace, Herman Tland, Henry Blitch, Robert Burns, Hubert Shuptrine, Frederick Roach, Robert Donaldson, Basil Cone, Edgar Bedenbaugh, Harry Atkins, and Percy Rimes.

Tyson Grove—Selma Brannen, Emma Smith, Sara Cason, Porman Anderson, Lester Atkins, and Agay Tyson.

Those who won prizes in the competitive athletic events were:

Hoke Brunson, 220-yard dash; Jewell Lanier, chinning the pole; Dolphus Lee, 100-yard dash; Bernard Smith, chinning the pole.

Prizes were offered for several other athletic events, but the program was not finished for the lack of time.

The most interesting of the events was a volley ball game between Middle Ground and Tyson Grove, which was won by Tyson Grove.

The following won prizes in the literary events: Edna Preterorius, Brooklet; recitation, Grover Alderman, Brooklet; declamation, Sara Rocker, Portal, music.

### The Statesboro News

D. B. TURNER, Editor and Owner.

## HOW PEOPLE READ.

Apparently the average reader gives little effort toward an intelligent understanding of what he reads in the news of the day. This fact has been more forcibly impressed by incidents coming under our knowledge during the recent past. Since about the middle of March this newspaper has been carrying a department which chronicled the incidents of years long past. These items have been grouped under the heading, "Events of Twenty Years Ago." The newspaper credit has shown that they were copied from the Statesboro News of a corresponding date of 1901. This ought to give clear and sufficient understanding to every one and yet our friends tell us that these items are frequently being misinterpreted. For one, Commissioner R. J. Kennedy tells us that objection has been made to him against the letting of the convicts to Decatur county and the discontinuance of the chainage. That thing happened twenty years ago, but somebody has carelessly read of it and understands that it is of recent occurrence. Somebody else was amazed to read that the Central Railroad had a force of five hundred workmen building roadbed between Statesboro and Decatur. That, too, was news of twenty years ago.

## AT THE RAINBOW'S END.

One of those lazy afternoons a few days ago, we dropped the working tools for a few hours and took a stroll out into the country to hold communion with the visible forms of Nature. Tracing our way along a little winding stream we suddenly came upon the inevitable fishery with his dog, his pole, and his can of worms. He had "set" his pole and lay back in the shade of a friendly tree, dreaming day dreams—building castles in the air. Hearing footsteps, he looked up startled. "Gosh," he said, "I thought you was a fairy."

"I was just wishing a fairy would come along and change me into a really man, with a big cane, and shiny shoes, and a bald head, and a big stomach, and automobiles, and servants. So when I heard you, at first I thought you might be it."

He settled back to his former position and the dog nestled a little closer to his young master and resumed his nap. As far as they two were concerned, we were out of the picture.

Of course that fairy is not going to come along and change the boy into a grown man—not at all once—because those fairies are out of date now. But if he should, that boy never would forgive him for doing so. We walked on and returned to our desk and to work. The short incident allowed the routine work to accumulate on the desk and an hour overtime was required to straighten out the tangle.

And we dreamed. We wished we could be a care-free boy with a pole and a can of worms, and could roam the highways and byways, explore the hills, and wade the streams in the company of the best pal one earth—a dog.

Why, boy, the man you were wishing to be would exchange, right now, all his automobiles for a pair of fish legs like yours; he would chuck his auto into Kingston creek to grasp a willow pole and angle for the goggle-eyes; gladly would he use his protruding front and find instead a stomach which he could cram and cram and never fill, and yet be able to count his ribs; that yellow dog which follows you for very love, is the servant he would ask. When you crawl into your bed tonight, the only thought that bothers you is how you will spend tomorrow, and before you have completed your plans, the sandman gets you. Mr. Man swallows his dyspepsia tablet and goes to his bed to lie awake and worry about the business of the day that has gone and of the day to come, and finally he drops into a troubled slumber and dreams of bonds and markets and labor troubles.

All of us are alike—man and boy—wishing for a fairy to come and work a change in our impatient lives. We see the end of the rainbow, but it is always just out of reach.

# \$550,477 RECEIVED FOR STATE ROADS

THIS AMOUNT IS RECEIVED FROM FEDERAL STATE AID FUND—APPLIED SEVERAL COUNTIES

## STATE NEWS OF INTEREST

Brief News Items Gathered Here and There From All Sections Of The State

Atlanta—More than half a million dollars—\$550,477.35 to be exact—has been received by the state of Georgia from the federal aid road fund during the months of February and March. This sum goes to reimburse the state and the various counties that have been constructing modern roads as a part of the state highway system. Not only the counties engaged in road construction have participated in the federal aid, but in some instances highway projects have been and are being built by county funds alone, or by state funds alone. The federal government applies only on projects constructed with federal aid.

Announcement to this effect was made by the state highway department, which at the same time gave out a statement in explanation of the method of handling federal aid funds.

"Of the \$550,477.35 received from the federal government," says the departmental statement, "the counties have been paid \$209,937.70, while the state has retained \$29,538.45 to cover the cost of engineering as provided by the state highway law."

The first participating in the federal aid refund for the months of February and March are: Baker, Brooks, Terrell, Chatham, Cherokee, Chatham, DeKalb, Cook, Dade, DeKalb, Dougherty, Douglas, Early, Elbert, Emanuel, Evans, Floyd, Franklin, Grady, Glynn, Haralson, Hancock, Jackson, Jefferson, Laurens, Lincoln, Macon, Mitchell, Monroe, Montgomery, Morgan, Newton, Paulding, Pulaski, Randolph, Rabun, Richmond, Sumter, Stevens, Towns, Thomas, Wilkes, and Wilcox.

Payment of Pensions For 1921. Atlanta—The first payment of pensions for 1921 probably will be made about April 20, according to W. J. Speer, state treasurer, who expressed the opinion that sufficient funds would be on hand by that date to pay off half the pensioners. The first payment will amount to approximately \$60,000, although the total pension list, including the new class authorized last year, is estimated at \$1,750,000. It is understood that the old pensioners will be taken care of first. That is, the pensioners coming under the old law. The pensioners added under the amendment enacted last year will be paid last, since they are assumed to be more able financially to await later payment. The new law abolishes all property restrictions, which have heretofore been set at \$1,500.

Only Twenty-Two Voters Participate. Dawson—The city election held on one of the duller ever held in the city of Dawson, called a number even for getting about it entirely until it was over. The election registered to vote, whereas only twenty-two of those registered cast their vote. The clerk stated that it was indeed a quiet day for them, as twenty of the twenty-two voters who had been registered for the year of 9 a. m., and they had to wait until the others entitled to vote. The only three candidates for aldermen, namely, B. F. English, E. E. Durham and T. S. Martin, will take office on January 1, 1921.

Williams Given Life Term. Atlanta—Just thirty days after the eleventh of his negro farm hands was slain and a brief two weeks after his arrest for murder, John S. Williams, owner of the farm, was sentenced to life imprisonment in the state penitentiary at Milledgeville. Williams was indicted on a charge of "death plantation," was under sentence to serve the remainder of his life in the state penitentiary at Milledgeville.

Whitfield's Fair Association Officers. Dalton—B. C. Wilson, president of the Whitfield Fair association, has announced his officers as follows: Miss Will D. Walter and J. J. Cogland, vice presidents; H. C. Smith, secretary-treasurer; H. C. Smith, superintendent of grounds; W. O. Will, superintendent agricultural department; John Tibbs, superintendent live stock department; Mrs. M. E. Judd, superintendent woman's department.

Man Fatally Injured At Waycross. Waycross—J. G. Register was probably injured when the truck driven by him was struck by an incoming Georgia Railway passenger train. The driver, who was badly injured, was taken to the hospital, but he died of his wounds. The train was delayed by the accident. The engine was also damaged. The accident occurred on the Georgia Railway near Waycross.

Twenty Towns To Be Represented. Milledgeville—Twenty towns will be represented at the annual high school meet of the Second district, which will be held in Milledgeville April 22-24. The local entertainment committee expects 200 delegates and teachers and hundreds of visitors to attend the meet. The program will include a basketball game, a debate, and a variety of other sports. The meet is expected to be a great success.

# SUNDAY-SCHOOLS CALLED TO MEET IN MACON

"Building a Righteous State," will be the theme of the annual Sunday-school Convention, which meets in Macon on April 19-20-21. This theme will run throughout the whole program, and every address will be along this thought. The choicest speakers that could be secured will be heard during these three days by the large delegation of Sunday-school workers coming from every section of the state.

According to R. D. Webb, general superintendent of the Georgia Sunday-school Association, the purpose of the convention are as follows:

1. To review the Sunday-school work of the past year in Georgia, America and the world.
2. To present the opportunity, challenge, and the larger program of religious education for the children and youth of this state.
3. To create a fellowship among the Sunday-school workers of this state.
4. To provide local Sunday-schools and county Sunday-school association officers with new methods and greater visions.
5. To acquaint the Sunday-school workers of Georgia with religious educators of international reputation.
6. To better understand the child, youth, and adult we are privileged to teach.
7. To study ways in which to reach those we are not teaching at present.
8. To seek the best means and the wisdom from leaders in all denominations, and to present the foremost question of the day in the field of religious education by those qualified to speak.
9. To plan and discuss the organized Sunday-school work in Georgia.
10. To attain a closer friendship with the Master Teacher, so that going from the convention may more intelligently introduce Him to those we teach.

Charlie Harris Case Again Is Appealed. Rome—The case of the state against Charlie Harris, colored, who is now under sentence of death for the killing of George Pierce, a wealthy farmer of this county in April, 1919, is to be appealed to the supreme court of Georgia for the third time. The appeal was filed by Len B. Gault, of Atlanta, who is leading counsel for Harris.

Didn't Find Out How Old Lady Was. Blakely—A good part of the time of the Early county superior court has been taken up in hearing the case of Bradwell against Palmer, a suit for a tract of land. It resulted in a mistrial. One of the sidehills in the tract was a cutting really given to one of the lawyers in the case, Mr. Conger, of Bainbridge, by one of the witnesses, a young lady, Miss Griffin. In questioning this witness Mr. Conger asked: "How old are you, Miss Griffin?" For a brief instant, she seemed a little embarrassed, but quickly recovering she said: "I am old enough to know that it's none of your business." The attorney dropped his investigations as to the lady's age.

Bureau Urges Girls To Get Training. Atlanta—Between twenty-five and forty girls are registering each day for positions at the employment bureau of the Young Women's Christian association and the secretary of the bureau wishes to urge untrained girls to seek training at this time in order that they may be prepared to fill positions when the opportunity comes.

Whitfield's Fair Association Officers. Dalton—B. C. Wilson, president of the Whitfield Fair association, has announced his officers as follows: Miss Will D. Walter and J. J. Cogland, vice presidents; H. C. Smith, secretary-treasurer; H. C. Smith, superintendent of grounds; W. O. Will, superintendent agricultural department; John Tibbs, superintendent live stock department; Mrs. M. E. Judd, superintendent woman's department.

Man Fatally Injured At Waycross. Waycross—J. G. Register was probably injured when the truck driven by him was struck by an incoming Georgia Railway passenger train. The driver, who was badly injured, was taken to the hospital, but he died of his wounds. The train was delayed by the accident. The engine was also damaged. The accident occurred on the Georgia Railway near Waycross.

Twenty Towns To Be Represented. Milledgeville—Twenty towns will be represented at the annual high school meet of the Second district, which will be held in Milledgeville April 22-24. The local entertainment committee expects 200 delegates and teachers and hundreds of visitors to attend the meet. The program will include a basketball game, a debate, and a variety of other sports. The meet is expected to be a great success.

Embezzlement of \$170,000 Is Charged. Carrollton—A Carroll county grand jury returned seven true bills against H. N. Simpson, former cashier of the Carrollton bank, charging that for the past four or five years he has robbed the bank of about \$170,000. The bank was forced to close in February on account of this shortage and auditors have been working to discover where the money is for the last two months.

## ENTERTAINMENT AT F. D. A. S.

The entertainment at the F. D. A. S. School on Tuesday, April 13, was rendered before a large and appreciative audience.

The boys displayed individuality in the dress and makeup for the "Colored Minstrel." The various songs as "All Right With Me Old Pal," "Everybody Calls Me Honey," "Jazz Baby's Ball," and "Go Feather Your Feet," were their most catchy numbers, and sung with much pep. The jokes and puns were bright and witty. Carl Franklin delivered a stump speech on "Labor and Capital"; Alfred Strickland a monologue on why he was "the luckiest man in the world," and these with the darkest song and song by Ralph Conaway, kept the audience in an uproar continuously.

The girls followed the minstrel, dressed in the white costumes with red pompons. They were most attractive and sang, "Kiss a Miss," "Mammy," "Rose of My Heart," and "I Love You Sunday," in a lively manner. Several humorous readings by Misses Lucy Bowen and Carrie Lee Brannen, with the humorous questions and answers of the various members of the train of Pierrot, were heartily applauded. After the girls had their last song the boys took their places in front of the girls making their general appearance most comical with the white background of the face makeup. Without any accompaniment they then sang in unison, "Let the Rest of the World Go By," followed by a march by the pianist, Miss Susie Mae Snooks.

The Dramatic Club numbering 28 members, has contributed amusement and entertainment this past winter to both student body and locality, besides assisting in financing the athletic club. The club is planning to take the "Minstrel" and "Pierrot's Lark" to the nearby towns.

## FIRE IN COUNTY JAIL DOES SLIGHT DAMAGE

Fire which originated presumably from the stove fire in the prisoners' section of the county jail early Monday night, gave rise to the report that a jail delivery had been attempted. Jailer R. D. Mallard states that the fire originated from the stove setting fire to the window casing, and that the prisoners gave warning of the flames before great damage was done.

SAVANNAH SAVES MONEY IN OPERATING EXPENSES. Savannah, April 12.—The city of Savannah is a money-making machine. During the year ending September 30, 1920, according to figures of the United States Census Bureau, the cost of running the city was \$1,540,166 and the revenue receipts were \$1,710,105. It cost \$19.23 per head to run the city and the per capita net revenue receipts were \$21.55.

# LIGHT FROSTS AND ICE INJURE TENDER GROWTH

A cool snap during the week, bringing frost Monday morning and a slight skim of ice in some sections Tuesday, is said to have done considerable damage to tender vegetation in Bulloch.

A number of farmers report the loss of young cotton which was just coming to a stand, which will necessitate replanting. Sweet potato vines, just beginning to grow, were nipped, and one farmer reports damage to his cane. Garden truck was more or less injured according to general reports.

The cool wave seemed to have found its way here Sunday and has lingered ever since, making fire and heavy clothing comfortable in the early mornings and at night.

# AGAIN PLEADS GUILTY AND DRAWS \$150 FINE

S. B. Nesmith, the baker, who was recently arrested by city and county officers upon a charge of violating the prohibition law by having liquor in his possession, entered a plea of guilty in Judge Proctor's court Friday and was given a fine of \$150 and costs. Some months ago he entered a plea to a similar charge and was fined \$25 and costs.

When arrested in this last case Nesmith denied the ownership of the liquor, but took the blame upon himself when he and his colored baker were about to be locked up. He did this, he said, in order to secure the release of his baker and save the loss of a baking of dough which was about ready to put in the oven and which he would have lost by the imprisonment of his baker.

## YOUNG LADY TEACHER LOSES HER FATHER

Sandersville, Ga., April 12.—W. H. Gaines died at midnight following an attack of paralysis. Mr. Gaines came to Sandersville from Forsyth and had operated the Stanton Hotel for many years and was well known through Forsyth, especially to the traveling men. He was sixty-one years old and is survived by two sons, Buford Gaines of Atlanta and Zeke Gaines of Savannah; three daughters, Ruth Gaines, music teacher at Statesboro, two younger daughters of Sandersville, and his wife.

Miss Gaines was notified Monday afternoon of the illness of her father, and left immediately for Sandersville, being driven through in an automobile.

# MINING INDUSTRY IN STRIKE PARLEY

THREE PARTIES ARE UNABLE TO REACH AGREEMENT AND CRISIS LOOKS UP AGAIN

## STRIKE STAYED TEMPORARILY

Men Will Remain At Posts Until The Conference Either Settles Row Or Breaks Up

London.—Lloyd George's offer of temporary financial assistance to the mining industry to minimize the hardship resulting from reduction of wages, has been rejected by the miners and, in the admitted impasse that has been reached by the three parties to the conference, the situation has reached a crisis.

There is but one ray of hope as a result of the developments. That exists in the action of the triple alliance, which, decided late in the afternoon of the conference, to withhold the final order for the general strike, which was to have gone into effect at midnight, April 12.

Officially, however, a deeply pessimistic over the unyielding attitude of miners and colliery owners, and see no way out other than by the threatened actual test of strength, through direct action.

"They are absolutely deadlocked," board of trade officials declared after the meetings. The owners are persisting in maintaining their position of fixing wages by districts, while the miners are equally insistent on their proposal for a national wage board.

The joint conference between miners and owners adjourned at six o'clock, April 12, the miners leaving for another executive conference, after which they were to meet with the triple alliance.

The maximum concession offered by the government during the day of the conference was an offer to provide a temporary loan, possibly for six weeks, which would enable the colliery operators to maintain wages until normal adjustment could be made. The government refused, however, to withdraw from its position that government subsidy or government ownership was inadvisable.

The triple alliance has postponed its threatened general strike.

On orders from the executives of the railwaymen and transport federations, the four million men who were to go out will remain at their posts until the conference between the miners and colliery owners has proved a success or failure.

This announcement, coming towards the end of a three-cornered argument, in which Lloyd George and officials of the board of trade alternately conferred with leaders of the striking miners and the mine owners.

It had been feared that the extreme leaders in the alliance might put into effect the threat of the last four days as a means of exerting additional pressure on the government and owners, on the day of the conference. The situation in the mines in general was quieter, with pumpings proceeding in many of the nearly ruined pits.

Would Change Policy Of Magazine. Lansing, Mich.—A bill has been introduced in the lower branch of the Michigan legislature by Representative George W. Wicks of Grand Rapids, which would compel the owners of the "China Famine Fund" magazine, The Detroit Independent, to change its policy in regard to the Jews or cause publication and circulation in Michigan.

Fruit Killed, And Barley Damaged. Johnson City, Tenn.—Reports from the outlying county districts and the mountain sections are to the effect that not only is the fruit crop literally killed and cooked, but that wheat and barley are damaged beyond recovery. A rain fell before the snow and freeze.

Mill Workers Refuse To Accept Out. Knoxville, Tenn.—Fifteen hundred employees of Brookside cotton mills recently refused to go to work following an announcement by the management that a reduction of 22 1/2% in wages would become effective immediately. All belong to the textile union.

Tablets Mark Where The Bombs Fell. Paris.—On the wall of the Credit Lyonnais Bank, Rue de Choiseul, this, a tablet, has been placed to mark the simple inscription "Aeroplane Bomb, January 30, 1918." The ministry of war has had tablets placed on the walls of the houses near which the first fatal bomb of the war fell in Paris, and it seems to be the general custom for private individuals to mark with some simple inscription the various points of the capital which have been done by the German shells or bombs.

Paul W. Cole Is Lieutenant Again. Washington.—Paul W. Cole of Savannah, Ga., was recently commissioned as a first lieutenant in the coast artillery corps by the president. He was a trooper in the army for several years from the regular establishment in 1912. Lieutenant Cole was graduated as a member of the 1918 class, rushed ahead because of his war record. He has been in the coast artillery since his father-in-law, Mr. Carl Espey. The appointment came as a surprise to his friends, who had no idea of it.

# FAMINE FUND WORK AT HALF-WAY MARK

Thomas W. Lamont, Chairman, Tells of Relief Administered and Task to Be Completed.

The American Committee for China Famine Relief, according to a statement issued by Thomas W. Lamont, chairman, has reached the second stage of its mission of mercy of sending funds from America to feed the millions of starving famine victims in the far eastern republic. At the latest estimate, the statement says, just as much more is needed to carry "the last \$500,000" through to the June harvest as has already been sent.

Mr. Lamont points out that quick response by America to appeals made by President Harding and his predecessor, President Wilson, has resulted in such prompt distribution of relief that the threatened magnitude of the famine has been checked to a marked extent. A continuation of the efforts so far made, it is declared, will place the famine relief for China among America's most effective philanthropies.

### AKINS-KENNEDY.

A beautiful wedding of Tuesday evening, April 12, was that of Mrs. Lila Akins, of Register, and Mr. Wm. Durand Kennedy, of Statesboro, which was solemnized at 8:30 o'clock at the Baptist church, at Register, Rev. W. T. Grande, pastor of Statesboro Baptist church, officiating.

The church of the church was banked with an abundance of pink azaleas and white roses effectively arranged against a background of ferns.

Miss Irene Arden, of Statesboro, sang, "For You Alone" preceding the ceremony. The wedding march was played by Miss Lila Waters at the piano and Mr. T. C. Denmark on the violin, also of Statesboro.

The bride was attractive in a traveling suit of navy blue pique and a close-fitting hat of grey straw with accessories to match. She carried an arm bouquet of bride roses.

The maid of honor, Miss Melrose Kennedy, of Register, was gowned in Nile green organza with a picture hat to match. She carried an arm bouquet of Killarney roses tied with pink tulle.

Mr. Kennedy had as his best man, his cousin, Mr. Cecil Kennedy, of Statesboro.

The ushers were Mr. Barney Anderson, of Statesboro, and Mr. N. B. Warren, of Register.

Immediately after the ceremony Mr. and Mrs. Kennedy left for Atlanta and other points in North Georgia. On their return they will make Statesboro their home.

### PLAY BY SCHOOL GIRLS.

An interesting event of last Friday evening was a play given at the home of Mrs. Barney Averitt, by the school girls of Olmsted street.

The play was written and directed by Thelma Call, the title being, "Jennette's Last Year at College." It was a comedy in three acts, the first being "In Jennette's Room at College," the second, "On the College Campus," and the third, "A Party at the College." About fifty invited guests enjoyed the presentation of the play.

The cast of characters was as follows: Mrs. Van Harlingen (a lady with aristocratic tendencies), Thelma Call, Jennette Van Harlingen (her daughter with democratic tendencies), Ruby Foss.

Mildred Wentworth (a friend of Jennette), Irma Everett.

Misses Clara Leck DeLoach and Willie Lee Oliff and Messrs. Joe Zetterow and Robert Caruthers attended the expression and music contest in Claxton Thursday evening.

Friday afternoon Mrs. John W. Johnston delightfully entertained the While-Away club at her attractive country home, "Seldom Inn." Ten tables of progressive rump were played, followed with refreshments.

### SIXTH BIRTHDAY.

Master James Daniel Gould was host at a birthday party Saturday afternoon, the occasion being his sixth birthday. Several games were played, ice cream, fancy cakes and fruit were served.

### THE O. E. CLUB.

Wednesday afternoon Miss Bessie Martin entertained the O. E. club at her home on Zetterow avenue. Games filled with American Beauty roses and huge pink roses adorned the tables and mantels. Cards were played, after which a delicious salad course was served.

## DOLLAR BUYS MORE THAN IN FIVE YEARS

COMPARISON OF ITS BUYING POWER SHOWN IN COST OF MANY ARTICLES.

Atlanta, Ga., April 20.—Despite the rather general tendency to complain about the price of this commodity or that one, a dollar does more real buying today than it has done for the last five years, according to Atlanta business men. The buying power of the dollar, it is pointed out, has increased materially during the last twelve months, and this is especially true, it is shown, when it is spent for groceries, clothing or shoes.

Some things, of course, it is stated here, still are higher in price than the consumer cares to see them, but most of the things needed on the family table and most of the things the members of the family need to wear are much cheaper than they were a year ago.

An interesting comparison of the buying power of the dollar now and a year ago when spent for groceries has been made by Atlanta business men. This man, whose name he says is not essential to the story, evidently has gone to much trouble to get the comparative values of various articles. Instead of quoting prices in his tables of comparison, he shows how many more things a given sum will buy now than it would a year ago. Probably his comparison, based largely on wholesale selling prices, would answer as well for other southern cities as for Atlanta. His comparison follows:

No. 1.—One year ago 500 pounds of sugar cost \$137.50. Today the same amount (\$137.50) bought the following list: 500 pounds of sugar, 100 bars of Octagon soap, 100 pounds of Irish potatoes, 100 pounds sweet potatoes, 8 pounds of cabbage, 60 pounds of coffee, 100 packages washing powder, 100 packages of lump starch, 12 cans five-pound syrup, 8 24-pound sacks good flour, 10 pounds table butter, 10 boxes onions, 1 barrel of apples, 1 box oranges, 24 bottles sweet mixed pickles, 36 packages oatmeal, 49 one-pound packages rice, 12 one-pound cans baking powder, 30 dozen eggs.

No. 2.—One year ago 500 pounds of compound lard cost \$127.50. Today the same amount (\$127.50) bought the following: 500 pounds of compound lard, 20 pounds pure pork sausage, 20 pounds Vienna sausage, 20 pounds skinned hams, 20 pounds cream cheese, 20 pounds fresh pork hams, 20 pounds brains, 20 pounds skinned shoulders, 20 pounds pork loins, 20 pounds beef liver, 25 pounds spare ribs, 50 pounds pure lard, 50 pounds dry salt bacon, 100 pounds forequarter of beef, 100 pounds of whole pig.

No. 3.—One year ago 100 bushels of oats cost \$140. Today the same amount (\$140) bought the following list of feed: 100 bushels oats, 10 bushels corn, 10 sacks cotton seed meal, 5 sacks dairy feed, 5 sacks chicken feed, 5 sacks shorts, 5 sacks cotton seed hulls, 10 hales Johnson grass hay, 100 pounds corn meal.

The killing occurred about 12 or 1 o'clock on the night of April 8th at the home of Conley Barnes. Brinson and his oldest boy went in search of help upon his shoulder, that he was at a loss to understand the trouble, and that he brought him to Statesboro for an X-ray of his arm. This X-ray picture was made by Dr. Mooney, who presented it in the court with the statement that it disclosed no injury of any kind to the arm or shoulder.

Barnes was represented by Deal & Renfro and R. Lee Moore, while the prosecution was represented by J. D. Kirkland of Metter, and J. J. E. Anderson. The hearing, which began in the forenoon and ran well into the afternoon, drew a crowded house from all over the county.

The evidence in the case was written in short hand by Miss Mamie Davis, of Brannen & Booth's office.

## PERRY BARNES HELD ON MURDER CHARGE

REMAINED TO JAIL AFTER A PRELIMINARY HEARING IN JUSTICE COURT.

Following a preliminary hearing yesterday, in which Judge E. D. Holland had associated with him on the bench Judges Henry Kennedy and W. O. Anderson, of the Sinkhole district, Perry Barnes was remanded to jail without bail to await trial in superior court on a charge of murdering his brother, Henry Barnes.

The killing occurred at the home of their brother, Conley Barnes, on the night of Friday, April 8th. In his statement following the affair, Perry claimed that he killed his brother in self defense after Henry had made a deadly assault upon him with a smooth-bore iron gun.

The care of a physician for treatment for injuries which he said he received at the hands of his dead brother before he cut him to death. In court yesterday he carried his arm in a sling outside his coat.

At yesterday's hearing, George Brinson and his two sons, who were present at the tragedy, were the chief witnesses for the state. The elder Brinson was somewhat hazy in his recollection of the incidents, but in his particulars corroborated the contents of the defense's story.

He agreed with him that the two brothers had a tussle in the yard before going into the house, which he regarded as only a bit of play. His statement of events inside the house, however, differed materially from the claim of the defense.

He was struck on the shoulder with a smoothing iron by Henry almost immediately after entering the house, and that the attack upon him was unexpected and unprovoked. Brinson and his son testified that the entire party of men sat in the kitchen for an hour engaged in conversation that Henry made reference to how well their brother Conley was getting along in financial affairs, and that Perry replied, "I could get on well, too, if I did not have to pay so many other people's debts."

Henry seemed to think this was a thrust at him, and hot words arose between them. They swore that Henry seized a two-quart aluminum sauce pan and at the same moment charged Perry with drawing his knife and striking him on the head with the knife, and thereafter Henry lay on the sauce pan side. The elder Brinson was not clear as to how the men got together, though he said he saw a number of licks pass between them before he realized that Perry was using his knife.

He denied that the dead man struck either of the other two as the defendant claimed. The younger Brinson declared that Henry put down the sauce pan and walked across the room and placed his hand on Perry, whereupon Perry stabbed him in the breast and continued to cut him in the back after he had fallen to the floor.

The killing occurred about 12 or 1 o'clock on the night of April 8th at the home of Conley Barnes. Brinson and his oldest boy went in search of help upon his shoulder, that he was at a loss to understand the trouble, and that he brought him to Statesboro for an X-ray of his arm. This X-ray picture was made by Dr. Mooney, who presented it in the court with the statement that it disclosed no injury of any kind to the arm or shoulder.

Barnes was represented by Deal & Renfro and R. Lee Moore, while the prosecution was represented by J. D. Kirkland of Metter, and J. J. E. Anderson. The hearing, which began in the forenoon and ran well into the afternoon, drew a crowded house from all over the county.

The evidence in the case was written in short hand by Miss Mamie Davis, of Brannen & Booth's office.
